## 2010 - A New Beginning

The Rangers Committee would like to wish you & your families a very happy & prosperous new year. We would also like to take the opportunity to thank all our members & their guests for their support & for patronising the club's functions in 2009. We look forward to seeing you all at our new & exciting events planned for 2010. Your feedback & suggestions are always welcome as it helps us improve & cater to our membership.

This is also a reminder to all our members that membership renewals & new memberships for 2010-2011 must be done in the months of July-Sept. 2010 only. Membership & Renewal forms are available on the club's website. We would like to encourage our members to contribute relevant articles for our website as well as participate in contests that are periodically put up, both for kid's & adults. Look up the website for details on the "Photo Contest" open to members only. The website has updates on our list of events & the Melbourne Rangers Club is also a group on Facebook that you are invited to join. The Photos section of the website has virtual albums on the last 3 big events held by the club.

Members & non members are welcome to advertise their business on the website for a period of 6 months for a fee of \$30 (member rate) & \$50 (non member rate). Advertisements can either be linked to your own website or to a writeup on your business.

## December 2009 at the Rangers

The **FAMILY CHRISTMAS TREE** of Dec 5, was an enjoyable evening with Amazing Andy entertaining both, the kid's & adults. The evening also included a sausage sizzle, a sumptuous spit roast dinner, Santa & gifts, kid's & adult games & carol singing. Have a look at the photo album available on the website. We would like to thank all those who assisted in the sausage sizzle, organising the games & sponsoring gifts.

**NEW YEAR'S EVE - HAWAIIAN NITE:** a very colourful & fun-filled night that was very well attended. The Springvale Town Hall was decorated to the theme. Excellent prizes, good music, a packed dance floor, a food stall & the youth dance in the small hall were all part of the new year's celebrations. The heavy rains that followed a warm start to the night did not dampen anyone's spirits. Do look up the photo album on the website to catch a glimpse of the Rangers Hawaiian Nite.

## Making our Events/Functions a Success

The club has a small working committee that volunteers their time in ensuring that all of our events/functions are a success. Every event has a cut-off date as arrangements must be made for setting up the venue & catering for the right numbers. We would appreciate if our members & their guests who plan attending a function call to confirm their attendance by the set cut-off date. Refer to the list of committee members & their contact numbers for this purpose.

We also have a band of dedicated & reliable volunteers who are just a phone call away. We are grateful for the assistance & that they provide.

## Calendar of Events

We have planned a set of events for the period of Feb to Aug 2010. Details of each event are on Page 2. The website & Facebook have also been updated with these details.

We look forward to seeing you & your guests at each of these events. Please ensure that you call by the cut-off date to make your bookings & to avoid disappointment as numbers are limited.
